

SUMMERcamp2018

Important information to help your camper have a better summer.

SUNSCREEN

Please be sure to apply a generous amount of sunscreen on your camper BEFORE leaving the house.

We do apply spray sunscreen: however, a good base coat is never a bad idea.

QUIET TIME

We have a quiet time during camp and most of the campers like to bring a blanket and pillow from home. These items need to be **labeled** and stored in the cubbies on the black shelves.

In order to keep things neat, we have the following size requirements:

Pillows—travel size, 12" x 16"

Blankets—max size, 48" x 48"

POTTY TIME

For our younger campers, sometimes there's a disconnect of brain and bladder.

We ask to please supply a labeled change of clothes in a Ziploc bag be kept at the school for accidents. This can be kept in their cubby on the black shelf.

SKATING

Our campers LOVE to roller skate, so our Wednesdays are spent at the rink. Our camp covers skate rental; however, campers are allowed to bring their personal skates. Please label the bag or box to avoid losing personal items.

For all skaters, skating requires a good crew length sock to prevent blistering.

Campers are allowed to reasonably spend money while at the skating rink. A staff member will be available for students to access their 'Kid Account'.

BILLING

PTSDA Karate stores a profile for billing on a system provided by our bank. Payments are automated and set to bill on Mondays.

Campers have the option to use a 'Kid Account'. Parents can send money or request a charge to add to their child's account. The accounts are stored on our school cell phone and can be used at the school or during field trips. This helps prevent theft and loss of cash.

SUMMERcamp2018

Important information to help your camper have a better summer.

LUNCH TIME

All campers are required to provide their own lunch. Lunchboxes need to be **labeled** and small enough to fit into the white cubbies. We recommend you to send your camper with a **labeled** water bottle to use daily.

Microwave and refrigerator are for school use only.

ATTIRE

With registration, your camper will receive a shirt. We request this shirt be **labeled** and worn on all Wednesday and Friday field trips. Closed toed shoes are preferred.

For Friday field trips to UWF pool and the seashore, we request campers to arrive wearing their swimsuits under their clothes. This keeps the field trip preparation efficient.

Karate uniforms will be worn only on Tuesday & Thursday during class.

CHECK-IN

All campers **MUST** be checked in by 9:00 am. Our groups have to have time to get organized and ready for field trips.

Arriving while the campers are loading creates disorganization and can lead to mishaps.

If you expect to be late due to an appointment, please communicate your estimated arrival time with a staff member.

LOST & FOUND

During summer camp, items accumulate quickly in the lost and found. To help alleviate over flow of lost items, we encourage you to **LABEL** all items belonging to your camper.

During the week, we will send reminders to pick up any lost items. On Friday evenings, we will take all items not labeled or claimed to the local Goodwill drop off center.

WISHLIST

Sometimes parents ask how they can help. Below is a list of items that we use frequently during camp.

- | | | |
|--------------------------------|--------------------|------------------------------|
| ◇ Spray sunscreen–
50+ SPF | ◇ Sidewalk Chalk | ◇ Paper– copy or
notebook |
| ◇ Sunscreen stick for
faces | ◇ Playground Balls | ◇ Construction Paper |
| ◇ Packs of bottled
water | ◇ Glue | ◇ Disinfectant Wipes |
| ◇ Bubbles | ◇ Glitter | ◇ Fun craft supplies |
| | ◇ Paper plates | ◇ Prepackaged snacks |
| | ◇ Crayons | |
| | ◇ Markers | |
